RE: Engineers' Week Banquet Program Advertisements

National Engineers' Week will be celebrated from **February 21 through February 27, 2015**. The Delaware Council of Engineering Societies (DCES) is sponsoring the Engineers' Week Celebration on **Thursday, February 25, 2016** at Bella Vita at Cavaliers Country Club. The 2016 Engineer of the Year, Barry Benton, P.E. (DelDOT), Young Engineer of the Year, Nathan Buttorff, P.E. (Pennoni), scholarship recipients, and award-winning engineering design projects will be recognized at the annual event. Additionally, the newly inducted Delaware P.E.'s will be honored.

DCES is comprised of the various professional associations that represent the engineering field in the State of Delaware. Once again, we are accepting a **limited number of messages from engineering companies, contractors and professional organizations** for the program book for this event. Approximately 300 practicing design engineers, as well as various elected officials and other professionals in related industries attend the celebration. The rates and sizes for getting your message in front of the engineering community are listed below.

<u>Ad Size*</u>	<u>Cost</u>
Full Page – 4.5" wide x 8.5" high	\$300.00
Half Page – 4.5" wide x 3.75" high	\$185.00
1/3 Page (Business Card Size) – 3.5" wide x 2" high	\$125.00

Additionally, each company or organization purchasing an advertisement for the program will be recognized on an exhibit board that will be displayed at the banquet.
