To Fellow Delaware Engineers:

On behalf of the Delaware Council of Engineering Societies (DCES), I invite you to attend the 2009 Engineers Week Banquet. We will recognize our Engineer of the Year, Pasquale Canzano, P.E., and Young Engineer of the Year, Phillip Horsey, P.E., as well as outstanding Delaware engineering projects of the past year and newly inducted professional engineers. We will also honor scholarship recipients who receive funds awarded by several Delaware engineering societies.

The banquet, on Thursday, February 19, 2009, at the DuPont Country Club (www.dupontcountryclub.com) includes a social hour at 5:30 p.m., followed by a dinner at 6:00 p.m., and the awards program at 7:30 p.m. We expect approximately 300 local engineers and dignitaries to attend this event, which is sponsored by some 10 Delaware engineering organizations. Your company's involvement will significantly contribute to the celebration of Engineers Week in Delaware. We look forward to hearing from you confirming your participation in this event that recognizes engineers and their contributions to our great state.

Tickets cost \$50 per person, or your company can reserve a table for 10 for \$100 plus the price of tickets. Please determine how many tickets you need and fill out the ticket request form below. Firms from New Castle County should send the form along with their check to me, and firms in Kent or Sussex County should send the form and check to Mike Fessler, (addresses below).
